

GIVE YOUR LOOKED AFTER CHILDREN & CARE LEAVERS THE OPPORTUNITY TO SHARE THEIR EXPERIENCES – GIVE THEM THE VERY BEST SUPPORT

The Bright Spots surveys measure looked after children and care leavers' well-being and the quality of their experience of care, and beyond. **Become a Bright Spots partner today to understand the lives of your children and young people.**

Benefits of becoming a Bright Spots partner

- Ensure the views and experiences of children and young people are **influencing your service development** & strategic thinking, a key requisite of Ofsted
- **Share good practice** – encouraging learning and development with other local authorities

The Your Life, Your Care survey provides us with the opportunity to hear what matters to children and young people living in care right now in their own words and also provides an excellent temperature check of our care services and what we need to do better...

Nadhim Zahawi, Minister for Children and Families

What makes Bright Spots different?

- **Largest surveys** of their kind
- **Compare your findings** to other local authorities and the general population
- **Co-produced with young people** – based on what 140 young people in care & 30 care leavers said was important to them
- **Strongly evidence based** – the surveys are a robust research tool, developed over 4 years. They draw on two international literature reviews & piloting with cognitive interviews to test questions
- **Quick & easy** to use
- **Confidential & secure** data handling guaranteed

We are grateful to the Hadley Trust for subsidising our programme. This allows us to offer the Bright Spots package for a reduced fee of **£4,400** for one survey (**£7,920 for both surveys**). **10% discount** for smaller local authorities or repeat surveys.
