

Central Bedfordshire Council's...

One of our members has been interviewed on BBC News about the National Care Review

Three of our members have been to Parliament to discuss with key MPs and experts the changes we want and need for our care!

We chair and take part in all Corporate Parenting Panels in our local authority, to ensure the young people feel heard and part of the important

WELCOMING

We have been part of many interview panels, and have been working with Frontline to train Social Work students!

We have worked with Social Services to amend the Financial Policy, website and care leavers app to ensure all Care Experienced young people feel valued and can acquire

DETERMINED

FOCUSED

Our group includes a chair, vice-chair and Champions for important areas like housing, finance, education, health e.t.c. to ensure that a strong voice is present at all meetings.

We are currently fund-raising to be able to take a group of Care Experienced young people on holiday, which is a brand new experience for many of us!
