

1. How confident are you that you know what's important to your care leavers?

2. How confident are you that you're providing the right services for care leavers?

3. What helps you make changes to services for care leavers?

Ensuring Care Leavers are included and consulted consistently about the services available

Getting the voice of care leavers heard by members and senior leaders and keeping the conversation live.

Honesty

User feedback
Additional grants and funding
Partnerships

Good relationships, communication, creating opportunities to share problems and ideas

Not sure

Policies and LA guidelines. Being prepared to advocate for our young people. Listening to care leavers and being led by them

The voice of young people, links with partners, link to Government bodies

Hearing from care leavers about what helps or hinders. Working with them through issues to get a better understanding of barriers and challenges they encounter etc. Receiving feedback about what is working and what is not working.

3. What helps you make changes to services for care leavers?

Being a champion of making the voices of care leavers known / heard

Better updated data and research about what works well

Having a clear plan and understanding areas of strength and areas for improvement.

Passionate team

Communicating with care leaver, engaging with them, taking accountability

Feedback

Resources, partner agency involvement, young people participation - we are struggling to reach all young people to have a mix of engagement and views.

Innovation

Get to know them. Give them time to feel you are trustworthy and consistent. Look at as many different ways to do this as possible

3. What helps you make changes to services for care leavers?

Speaking and listening to the young people

Feedback

Senior manager commitment and leadership
Good action plans (brightspots evidence)
Scrutiny by young people

Never standing still and always striving for better outcomes for our care leavers!

Asking and listening to care leavers and giving them an opportunity to have input into the service

Have a location, a building that everyone can feel they belong to. One that young people will come to

The voice of young people, links with key partners, link with Government bodies

Listening

Less pointless admin
