

# Dear Foster Carer, We like it when you...

**M.A.D**  
MAKE A DIFFERENCE

Dudley's Children  
in Care Council

teach us skills so we can  
live independently when  
we are older

show interest  
in us e.g. play  
games with us

let our friends stay  
over (and let us stay  
at theirs)

treat us like  
your own  
children

take us on  
holiday or for  
days out

make it really  
feel like home  
for us

include us in your  
family activities such as  
parties and trips

ask us what  
we like to eat

support us  
through family  
issues or court

let us stay  
up later  
(sometimes!)

comfort  
us when we  
are sad

show us  
affection, such  
as a hug at  
bedtime

Thank you from **Make A Difference**  
on behalf of all of Dudley's looked  
after children and young people
