

Dear Teacher, We like it when you...

M.A.D
MAKE A DIFFERENCE

Dudley's Children
in Care Council

Involve me in
decisions that
affect me and
my education

Take the time to
really understand what
being in care means

Understand that
some of us might need
extra support because of
our past experiences

Check with us
before telling people
that we are in care

Find out how
I prefer to
communicate

Treat us the
same as everyone
else

Include us in the
class e.g. discussions
and answering
questions

Try and see the
positives in what we
do and don't dwell on
any negatives

Take the time
to really get to
know us

Know what a big difference
you can make! You are a vital
person in our lives and can help
make a real difference - so
make it a positive one

Appreciate that
no two looked after
children are the same
- we are all different
so please treat us as
individuals

Recognise that we
all have potential
- please don't
stereotype us and
write us off

Thank you from **Make A Difference**
on behalf of all of Dudley's looked
after children and young people
